

Did you know that there is a free Patient Access mobile app for Android and iOS?

Go to the Patient Access web site:

<https://patient.emisaccess.co.uk/account/login>

### Welcome to Patient Access

Patient Access lets you use the online services of your local practice. These may include arranging appointments, repeat medication, secure messages, medical record and updating your details.

**Register**

Have a letter from your practice?  
Click "Register" and enter the details.

No letter but would like an account?  
Click "Register" to see if Patient Access is available to you.
